

Dear Holywell Members and Parents,

It has come to our attention that increasing numbers of parents/accompanying adults are remaining in the changing room area whilst watching their child/children swim. We respectfully request that parents once their child/children are poolside with their coaches that you retire to the spectator's gallery upstairs to watch their training sessions.

There are many reasons for the above request;

1. Health and safety, keeping access and exit routes clear.
2. Respect to other Leisure Centre swimming pool users.
3. Welfare and child protection. It has become increasingly difficult for coaches and welfare staff to determine who is poolside and if they are parents/members of the Swimming Club.

Should you require further explanation please contact carol leitner Welfare Officer or Anne Blundell Club Secretary either at the club or email childprotection@holywellswimmingclub.co.uk or secretary@holywellswimmingclub.co.uk

Thank you for your understanding and cooperation. Should you have any difficulties in terms of mobility accessing the spectator's gallery, please contact carol or Anne and we will discuss your individual needs.
